## GREETINGS...

Well, everyone we have a busy season of darts ahead of us. Whatever the night of the week, there is plenty to do in the dart world right here in Columbus. Of course the fall season of our Wednesday night 3-person team is right around the corner. Is it time for you to start putting your teams back together? YES. Is it time for you to try something new? I don't know. Is it? Do you want to play a 13 game format and play 7 games rather than a standard 5? Do you want to play with both other people on your team in doubles '01 and doubles cricket? Do you just want to play and have fun with as little worries as possible? Do you want to play against your friends? You know what, only you can answer these questions. But I can tell you this. We are continuing to grow because of you and your friends. You make us what we are. We are a community of darters, if you want us to be. I personally believe that you do want to be an informed darter, always knowing what your choices are, always knowing what is going on here in Columbus. Let me discuss ethics briefly. *Dictionary definition:* Ethics = A system of moral principles; the branch of philosophy dealing with right and wrong of certain actions and with good and bad of such actions. What does that mean in layman's terms. Think When You Drink. If you cannot exercise good judgement when dealing with your dart game and the mindset that you are

in when you play, then maybe, just maybe, darts is not the game for you. Where has unsportsman-like conduct gotten anyone except shame upon the given sport, as well as upon themselves. What does that mean? It means, if you can not act like an adult while attending a CDA event, the board will vote and you will be gone! It is that simple. I do want to remind everyone again about the Quad-City All-Star team. It's time to tryout. Put your score in. Quit riding the bench. This is your year. This is our year. All you guys and gals that made the team in years past, but have not tried out lately. What else do we have to do to show you that, yes, this is the year. We can finally do it this time. But we can't do it without you. Here is a fair way to determine if you should tryout for the All-Star team. If you are in the top 30 percent in MVP points in whatever division you are in, in whatever league you are in. Then you, YES YOU, should try out for the team. If you want to find out what it is all about, but are not ready to throw in the event yet, then come on down and meet people and chalk some games. Trust me, the games go quick. Coming up on August 20<sup>th</sup> there will be the fourth annual DiMarco's Summer Splash. A one day, one event, Blind Draw (over 35 people last year) to raise money for the Kobacker House in memoriam of the late Joe DiMarco. This is a fun day. This day is not about money. It's not even really about darts. It's about giving

free entries in the Bloodshot Open and do not play in the league, you are still required to pay your yearly dues by August 19<sup>th</sup>. Otherwise your points will stop accruing. Do you want to play on Wednesday night league, but you are not quite sure who you want to play with? Call me up. I have a lot of people who just have not had the time to get their teams ready. So, let me help. All the divisions are shaping up very nicely and we might be adding at least one extra division. The 3-person format seems to be a pretty popular thing these days. Don't miss out on it. Do you have an idea about darts that you would like to oversee? Do you want to work on just one event per year to pay your *volunteer dues*? Give and Take. Just call the CDA phone number and we will get you started. Would you like to have a letter or article about your take on darts published in a CDA newsletter? Hey, send it on in. Why not share your thoughts. This is America baby, we believe in free speech. I want to thank James Kinney for being our statistician. Believe me, it's a lot of work for no pay and little if any gratitude. So please try and make your score sheets neat this season. Feel free to jot down comments on good shots or anything exciting

Sunday of the Bloodshot Open we will be hosting the 2<sup>nd</sup> Annual In-house League City Championship. Eight in-house leagues will compete this year. The top team from each league that is on the roster will compete for the city championships. All the leagues that participated last year are welcome again this year, as well as a couple of more. So call us and confirm your league's participation. One last thing for this season, if you expect great things great things will happen. No matter where you shoot or what league you shoot for - Throw well this season and thank you again for playing the sport of steel-tip darts.
