

**Up and Coming Events:**

**July 24.....Summer Tuneup**

**July 24.....Fall League Registration Ends**

All right everybody, for years the darters of Columbus have been talking amongst themselves saying how they wanted something more from the Columbus dart scene. For years I was saying the same things as you. A year and a half ago we started the CDA to give all of you something more. In that time we have accomplished a \$5000.00 tournament, a \$1000.00 tournament, two 100% payout tournaments and a blind draw every Friday, Saturday, Sunday and Monday,

not to mention our upcoming events which is what this letter is all about. We try to make as many darters happy as possible and because of the amount of requests that we start a league, we are. I know you probably are already playing in one of the various leagues in town on one night or the other, and your work and family schedule has been arranged just so you can play on that given night. Knowing that we tried splitting up your week, and are starting our league on Wednesday night. We know that many of your schedules will have to be rearranged in order for you to play on Wednesday night, and you could very well find that to be a hassle you don't want deal with. I implore you not to pass up this opportunity of playing in one of the most new and exciting dart formats in the nation. Darts has been stagnant. One league is just like another, everybody has that four person team or that doubles team that you have played on forever. Now don't get me wrong those styles are fun. I play all those most seasons myself and I do have fun. But I am absolutely thrilled to be a part of this new format that includes a 3 person team with a maximum of 4. It is based on 3 people though. The way it is set up. You get to play every type of league game every night with every person on your team. Nobody gets left out, that's the beauty of this league. There will be drop boxes in all of our league bars so you will never have to worry about turning your score sheet in. Your stats will be at every bar every week. We already have a slew of teams joining up so don't be left out. Now the league does not start until two days after Labor day which is September 8. And the registration deadline for the league is July 24 which is only 10-15 days away. Now understanding that there is a month and a half in between deadline and start up is very important. Because there is going to be so many teams and the fact that this is our first season with a league we need that much time in between to get all the bylaws and captains packets printed by the printer. Now this wont be our normal practice but this is the inaugural season, and we do want you to part of it all. Your registration forms for your 3 person team as well as our summer tuneup tournament flyer that will be the registration deadline are enclosed in this mailer. Give us a try and you won't be disappointed. Thank you for your interest in darts and the CDA. League format to follow.
