ALL STAR

CENTRAL OHIO 1991

It was tough to make the team this year!

With a record number of attempts again this year, the competition was tough to earn a spot on the Central Ohio All-Star Team.

It came down to the final night again, as folks "on the bubble" held their breath to see if they would sport that coveted All-Star shirt in the QUAD-CITY CHALLENGE.

November 24 will see these 28 guys and 14 gals square-off against the best from Cleveland, Cincinnati, and Dayton for bragging rights as the best dart city in the state.

They have a big challenge ahead of them, and need all the support you can give them.

This is your chance to see some of the best and most competitive darts of your life. **COME OUT AND SUPPORT OUR TEAM SUN NOV 24 starting at NOON.**

As an added incentive, and to fill the ever-constant need for chalkers, we have arranged for raffle prizes for chalkers. These will include video tapes, CD's, and lots of other good stuff!

SUN NOV 24 at NOON at the RADISSON NORTH on Sinclair Road. BE THERE!!!

BOARD OF DIRECTORS

Your Board of Directors has been active over the summer. Besides getting things in order for the new year that started Sept 1, they have been spending a lot of time planning for the future as well.

A significant change was made to the By-Laws in August. The number of Board Members was reduced from 13 to 11. This was done primarily to make the Board a more efficient working body.

This Summer also saw three resignations from the Board. President Duncan Wright accepted a job transfer to Toledo, and V.P. Gil Graham has filled that seat as our new President. Tom Beatty was appointed to the Board at the Sept meeting.

Andy Morrow and Cricket Koogler O'Reilly have also resigned for personal reasons. The Board is currently seeking interested members to fill those two vacant seats. If you are interested or have a suggestion, contact Gil Graham or any Board Member.

TOURNAMENT PLAYERS GROUP

Due to a lack of interest, the Board has decided to cancel this program. At the same time they recognize that tournament information is of interest to our members. You will see more notices of tournaments showing up in strategic Playing Sites as well as on calendars, standing sheets, and other communications.

MIXED DOUBLES

There were not enough teams interested to form this league this Fall. We are planning two for the Winter season however, so look for registration information as January nears.

PLAYING SITE RELATIONS

Dan Hanes has taken the reins of this important committee as Playing Site Relations Coordinator.

The key phrase here is Coordinator. He can't do it alone! This is a request for your help. We need an active committee of people who will act as "Bar Reps" throughout the year.

It's not a lot of work, but will be very important. Basically you will act as a liaison between C.O.D. and the Playing Sites we use. This requires only a few visits a year to your assigned sites (which you can choose), getting to know the owner/manager, and acting as our eyes, ears and voice. We need to develop better rapport with our playing sites, and you can be the one to do it.

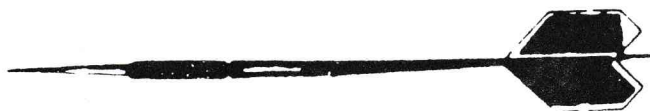

Give Dan a call today and volunteer to fill an important roll in our organization.

ALL-STAR TEAM QUALIFICATIONS

The Board recognizes the need to seriously review the method we use to select the All-Star Team for the Quad-City Challenge.

The time to do that is NOW! and we are actively seeking your input and participation. If you have ideas or suggestions, NOW is the time to bring them to the Board's attention. This thing takes a lot of planning, and we have to begin working on it now so things are in place for next Fall.

Please submit your written ideas or proposals by Dec 1. The more explanatory and detailed the better. If you have any questions, just call Charlie Forrester at 457-7998 or Carol Hines at 777-9501.

"THANKS BILL"

"THANKS BILL" was an appropriate name for the first annual Blind Draw held to pay tribute to the many years of support given to C. O.D. by Bill Dupler and The Crest Tavern.

Phil Cunningham and Kurt Poggemoeller were Champions of the evening, followed by Runners-Up Terry Ewing and Al Lead.

C.O.D. President Gil Graham presented Bill with a plaque at the end of the evening commemorating his years of service to and support of C.O.D.

The Board of Directors has decided to make this an annual affair in honor of our good friend.

COORDINATOR'S CORNER

It's been quite a year!

The first year as your coordinator has been a lot of work. At the same time, it's been a lot of fun! I'd like to thank everyone who has offered ideas, criticism and suggestions during the first year of this new position for our organization.

When we started discussing the idea of this position about 2 years ago, there were some serious doubts as to whether it would work and if we could afford it. I think you will agree that the answers to those questions are a resounding **YES!**

More importantly, we have shown that this is a position **C.O.D. NEEDS!**

Last October I suggested to you that some of our improvements in organization and management would not be readily apparent. Hopefully you can see at least some of them now.

Besides facing the normal day-to-day tasks of running what amounts to a small business, we have the added burden of managing a far-flung organization. When you consider that never are all of our members in the same place at the same time, it's no small feat of communication to ensure that everyone is aware of everything going on.

The key word here is **COMMUNICATION!** Your Board needs to know what you think and want your organization to be.

Your Board of Directors is a hard-working group of volunteers. They put in lots of time and effort to keep C.O.D. running smoothly. Sure, there are some flaws, and there are always improvements that can be made. It is only through your input that these get accomplished.

It's been fun, and I am looking forward to 91-92 being even more fun.

ADO NEWS

The ADO Masters Regional Playoffs were held in August. This playoff determines the man and woman who will advance from our region to the National Finals, which determines who represents the U.S. in the Winmau World Masters Championships.

City Champs Deb Lewis and Rick Gessells represented C.O.D. in Cincinnati on August 24.

Rick found the round robin format tough, but faired well, finishing in the middle of the men's field. He had the opportunity to play against some of the best, and gained a lot of tournament-play experience.

Deb did not get to compete. ADO Playoff Rules require a minimum of 8 players, and there were only 2 women.

The C.O.D. Board of Directors has filed a formal protest with the ADO about this matter. There are provisions in the rules for accommodating everyone who wishes to participate. We contend that the rules were not followed, and therefore the National Playoffs held in Sept were not proper.

To date we have had no formal reply to that protest.

The next ADO Regional Playoffs are for the East-West All Star teams. They take place in the Spring, and later in the year we will have a qualifier to determine the C.O.D. representatives.
