## KENNY'S KORNER

Welcome back fellow darters, we are now 1 year older and 41 teams strong. It is my hope for the ESDL to continue its growth and for the board to continue serving you as well or better than in the past.

Most of us are new at running a league so we would like your cooperation which would help us a lot. This is your league and we need to know from each of you any positive suggestions you may have. If you have any, feel free to list them on the comments section of your scorsheet.

We do sometimes make errors and we will do our best to correct any we have made.

I hope all of you have a good experience with our league & I want to thank the board and committees for making the league what it is. Shoot Well

KEN WILLIAMS  
PRESIDENT

## FEATURE DARTER

Jim Medley, who was awestruck at being picked, is our feature darter of the season. Jim got started playing darts about 2 years ago when a roommate had a dart board in his room and introduced Jim to darts. When he did not want to study, he started throwing darts and he ended up getting hooked to the game.

Jim has been in the ESDL for 2 seasons now but he also plays in other leagues so he is a busy man. In the fall season Jim hit 3 T'80's in one week (Pimm's, Holiday Open & Playoffs). His reason for this was he was just out having a good time. That sure is having a good time!! Jim goes to O.S.U. and is studying computers, he is 22 years old and single?? We just want to say good-luck to Jim in the future!

### E.S.D.L. DART LADDER

In the past, darters proved their skill by participating in tournaments, winning their respective leagues and having their names echoed throughout the darting community.

The E.S.D.L. has created a new opportunity for you to demonstrate your darting ability; a Dart Ladder. This Ladder will be stationed at Sam's Place for all to see. Challenges may be made up to three steps.

The Ladder itself is 4 feet long and your name will be engraved on a plate. We hope that you, as members take advantage of this event. Contact any officer of the Dart League to have your name entered as one of the 32 which will benefit from this event.
